What is my ideal outcome for this call?

What Expectations do I need to set for this call? (Upfront Contract)

- Time
- Agenda
- Outcome
 - What decisions need made on this call?
 - What action steps need taken as a result of those decisions?

Compelling Reason

What problem is the prospect/buyer trying to solve?

How does that problem impact the business/them personally?

What Questions do I need to ask on this call to achieve my ideal outcome?

- 1.
- 2.
- 3.
- 4.
- 5.

What questions may the prospect/buyer ask me?

- 1.
- 2
- 3.
- 4.
- 5.

How can I handle those questions?

What do I need the prospect/buyer to understand?

Diffuse the bomb - What question can I ask that will address the matter before the prospect/buyer asks the question(s)?

Reverse it - How can I reverse the question(s) above if they're asked first?

What is my mindset for this call?

Is it productive? If not, what mindset do I need to adopt for this call?

Will I need to Negotiate on this call?

If so, what concessions am I willing to make OTHER than lowering price?

- 1.
- 2.
- 3.

How do these benefit the Prospect/Buyer?

Can I tie these back to company or personal impact?
